

Inspire Inclusion with inTouch

This **International Women's Day**, let's celebrate diversity and empowerment, recognising the vital role of inclusion in achieving gender equality.

For 40 years, inTouch's services have been a beacon of hope for migrant and refugee women experiencing family violence in Victoria.

But we need your help.

You can empower migrant and refugee women who are experiencing family violence. Support our goal to raise \$50,000 for our vital programs and services and ensure an inclusive and equitable society for all women.

Find out more about our services [here](#).

Last year, we supported **1,495 individual clients** and **1,551 children** with **131,558 hours** of case work.

inTouch provides **culturally and linguistically tailored** case management, legal services, migration support and initiatives to encourage post crisis financial independence and social connection

"The first time I talked to my Case Manager, I was in tears- happy tears. I **felt another woman was willing to help me to start again and be strong for myself and my baby**" - *inTouch Client*
